HackRatri - MoM

1. It is mandatory for all the members of iQube to attend HackRatri that is scheduled on the 5th and 6th of March in offline mode.

2. All the members are asked to assemble at iQube by 1.30pm on 05-03-2022.

3. **Before tomorrow 1 30 PM, each member participating in this hackathon are asked to choose at least one problem statement from SiH 2022 problem statement brochure regardless of the team they have formed**

4. **The problem statement chosen by you should be the best according to you, viable and should have the maximum potential to carry it to the upcoming stages in SiH 2022 if selected, So choose wisely!**

5. The flow of the hackathon is planned in such a way that even if people with great ideas do not have a team, they can find one by pitching their problem statements.

6. The entire flow of the hackathon will be revealed in the orientation that will happen by 1.30 tomorrow.

7. The accommodation and refreshments for all the members attending HackRatri will be taken care of.

8. Wearing the iQube T- shirt for the hackathon is encouraged.
